PALACE OFFICE, MYSORE.

Notice dated 20th December 1924.

Tenders are invited for the supply of an approximate quantity of 1,500 tons of 90 maunds each, of jungle wood lighting fuel of the specification noted below required for the use of the Palace Fuel Depot at Mysore for the official year 1924-25. The wood may be supplied either from the undermentioned Palace Kavals or other lands not belonging to the Palace.

	Tons.
(1) Palace Sulekere kaval, Bilikere hobli, Hunsur Taluk	... 1,200
(2) Doddakere kaval, Hampapur hobli, Heggaddevankote Taluk	... 300

2. The rates should be quoted for a ton of 90 maunds of wood delivered at the Palace Fuel Depot, Mysore, and must include only the cutting and carting charges in the case of fuel from the Palace Kavals and also cost of the wood in the case of private fuel. Arrangements have been made not to levy any toll on carts engaged for the conveyance of fuel for the Palace use. Authenticated Passports will be issued for the purpose to the contractor during the transit of such fuel through toll gates.

3. The fuel supplied will be weighed immediately on its receipt by the departmental men at the Fuel Depot and a receipt therefor will be granted. Payment will be made by the Mokhtesar, Palace Estates and Gardens, on presentation of bills to him supported by the said receipts.

4. Each tender must be accompanied by an earnest money of Rs. 100 in cash superscribed "Tender for supply of lighting wood for use of the Palace Fuel Depot at Mysore," and delivered in a sealed cover at the office of the undersigned not later than 2 P.M. on 21st day of January 1925, Wednesday.

5. The successful tenderer will be duly intimated of the acceptance of the tender, on receipt of which intimation, he should call at the office of the Mokhtesar, Palace Estates and Gardens, and execute necessary agreement. He should commence collection of fuel at once from the coupes marked and set apart for the purpose and complete the supply within six months from date of execution of the agreement at not less than 300 tons a month.

6. The final acceptance of any tender rests with the undersigned and the administration is in no way bound to accept the lowest or to assign any reason whatever for its rejection.

7. Deviation of the above conditions or delay in the execution of the contract will result in the earnest money being forfeited to Palace and the contract cancelled.

8. Should the accepted tender is for the supply of fuel from the Palace Kavals, the tenderer should bind himself to abide by departmental instructions both in the selection and cutting of trees.

SPECIFICATION.

KIND:—The wood must be hard such as Jali, thopla, devadari, hunse, chigari or some other approved variety.

SIZE:—Each piece of wood should be not more than 6 inches in diameter and not more than 3 feet in length.

If the contractor wishes to undertake to supply split wood fit for immediate use or his private fuel, the rate therefor may also be explicitly noted in the tender.
